The new year is well underway, and we pray it will be a year of joy, hope, peace, and love as we serve God together.

As you make plans for your church and community, please remember your Disability Awareness Sunday. In the West Ohio Conference, it is the first Sunday in May. Your ODMC team is here to help plan and present your Disability Awareness Sunday with resources, data, and our experienced speakers.

Congratulations!!!

Congratulations to our Co-Director, Rev. Zachary Holler on his engagement to Elizabeth Wilson! We hope your life together will be filled with amazing adventures, joy, and love.

Announcement from Flat Rock Homes, Care Center & Community Services

Flat Rock is pleased to welcome Rev. Zachary Holler, a West Ohio Conference pastor, to its Board of Directors. With Zach's leadership comes intimate knowledge of disability awareness as Zach is a person with disabilities, including having low vision and being hard of hearing. As an organization that serves folks with disabilities, Zach will add a different perspective to our work at Flat Rock Homes, Care Center, and Community Services. Welcome, Zach! www.flatrockhomes.org

YOUR church may also show your community your commitment to creating a place where all people feel welcome, safe, and valued. The Badge Levels are awarded according to the following criteria:

- Copper: Completed Accessibility Audit
- Bronze Badge (basic accessibility and accommodations): the church is welcoming and offers basic amenities needed for a person with a disability to participate, e.g. a place to park, a way to get into the building and sanctuary, a bathroom that is

usable, etc. Most items at this level are low cost and can be easily provided, e.g. ushers and greeters trained in disability etiquette, website information on access. [Click here to download Bronze Badge information \(MS Word\)](#).

- Silver Badge (satisfactory accessibility and accommodations): the church has many accessible features and offers accommodations for persons with a variety of disabilities including hearing loss and limited vision. Silver level items may cost a bit more and take more effort to put in place. - Gold Badge (great accessibility and accommodations): the congregation has gone beyond ADA requirements and strives to provide an accessible space and appropriate accommodations. The church welcomes individuals with varying disabilities and their families through intentional measures and ministries. Continued improvement is planned based on needs of members and the community. This church would be a good choice to host conference events per ¶716.2 of the *Book of Discipline*, and might mentor other churches. [Click here to download Gold Badge information \(MS Word\)](#).

If you have questions or would like guidance to complete your badge requirements, please let us know, and we may be able to assist you!
